Description

Nissan GT-R R35 for true enthusiasts and lovers of exceptional vehicles. This car has always been treated with the utmost care and has a complete history from its factory delivery, including all available documentation. The car has been used exclusively for leisure purposes. Equipped with a complete Maxton kit.

No performance upgrades, no Stage 1 tuning, no software optimization – completely original in terms of engine tuning.

Transmission in perfect working order, never overheated.

Clutch in perfect condition, no slippage.

Accident-free.

Original paint throughout – never repainted or cosmetically altered.

Bodywork in exceptionally beautiful condition. This GT-R has been cared for with genuine passion, never abused or overdriven, making it a particularly sound and rare example on the market.

Beautiful overall condition – both visually and mechanically. A rare opportunity for a serious enthusiast to acquire an authentic, clean, and superbly preserved GT-R R35. Serious inquiries only.
